2- The supplier or contractor is not required to provide an initial guarantee or performance guarantee in cases of purchase or sale whose estimated value does not exceed ten thousand dinars.

3. In the event that the value of the offer to which it is decided to award exceeds the estimated value mentioned in Paragraph (1) of this Article, it is permissible to negotiate with the offeror to lower its price to the limits of the estimated value, without prejudice to the conditions and requirements specified for purchase or sale.

4- The managing authorities are keen to record all data and information related to purchases and sales whose estimated cost does not exceed 10 thousand dinars in the "Purchasing Procedures Register", and in particular the data and information specified in Article No. (8) of the Executive Regulations of the Law Regulating Government Tenders, Purchases, Auctions and Sales, The disposing authority enables the country's regulatory authorities, internal control authorities, and all parties permitted to view the purchase record under the provisions of Article (9) of the aforementioned executive regulations, to view this record upon the request of these parties.

second subject

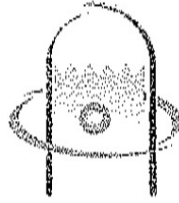

1- In cases of purchase or sale whose estimated value is an amount of 10,000 dinars or more and does not exceed an amount of 25,000 dinars for ministries and government institutions and an amount of 50,000 dinars for companies, the disposing authorities carry out the purchase or sale procedures internally, provided that Commitment to the provisions of Decree Law No. (36) of 2002 regulating government tenders, auctions, purchases and sales, its amendments and its executive regulations, and in particular the provisions of Article (4) of this Decree Law. This requires that the public tender or bidding method be followed by announcing it, and any of the other purchasing methods specified in this article shall not be followed except by virtue of a reasoned decision from the Tenders, Auctions, Purchases and Internal Sales Committee.

- If there are reasons for following the limited tender method, it must be ensured that an invitation is directed to all or as many suppliers or contractors as possible working in the type of activity subject to the tender and who are registered in the records of the managing authority and the Council in accordance with the provisions of Article (44) of the Law Regulating Government Tenders, Auctions, Purchases and Sales.

3- In the event that the value of the offer that the disposing authority deems to be awarded exceeds the amount of 25,000 dinars for ministries and government institutions, and 50,000 dinars for government companies, negotiations shall be made with the owner of this offer, and the award decision shall be taken by the Council if it is The offer value after negotiation is still higher than this ceiling.
